

This year has been a strange one-
cancellations left and right
We all have to wear our masks
and can't be crowded in too tight

From graduation drive-bys
to birthday party zooms
Over all our celebrations,
Corona Virus looms

But rather than throw up our hands
and declare defeat
We decided that for Halloween
We'd do reverse trick-or-treat

So we've made a bag of goodies
and put in special treats
some coloring and stickers
and a bat that's full of sweets

Instead of feeling gloomy
this year on Halloween
We hope this brings a smile to you,
despite Covid-19

This year has been a strange one-
cancellations left and right
We all have to wear our masks
and can't be crowded in too tight
